

1) DevOps Engineer (Internship & Full-Time)

OFFICE: Aganitha Cognitive Solutions Pvt Ltd - Jubilee Hills, Hyderabad, Telangana

₹12,000 - ₹25,000 a month - Temporarily remote

Aganitha accelerates drug discovery and development by applying the power of Genomics, AI, Cloud, and DevOps. Discovery and development of drugs today are dramatically different from even a decade ago. The most important of all has been the emergence of a strong, cross-disciplinary nature of research and development. Chemistry, biology, and most medical applications are being transformed by rapid progress in informatics, data, and AI/machine learning. At Aganitha, we are partnering with global biopharma companies to complement the traditional lab-based approaches with in-silico approaches to research and development.

We develop and deploy AI, data, and cloud-powered solutions that efficiently tackle the complexity, scale, and richness of modern biopharma R&D domains. We adopt multi-disciplinary approaches, blending and translating the latest knowledge in biology, chemistry, computing, and biopharma business.

We are looking for talented and experienced DevOps specialists . Those without prior experience may also apply to join as an intern first and then graduate into a full time role. Compensation advertised is for internship only; salary and benefits for full-time role will be based on relevant prior experience.

Selected intern's day-to-day responsibilities include:

1. Containerisation and container orchestration with Kubernetes and Docker
2. Automated provisioning of infrastructure with code using tools such as Terraform and AWS CloudFormation
3. Experience with one of AWS/GCP platforms is a must. Experience with HPC platforms such as SLURM/SGE is a nice to have.
4. Linux systems administration and configuration management
5. Build management, CI/CD pipelining for Python, NodeJS, Java, Go

and C applications

6. Database administration and storage management

To apply and qualify, all candidates (freshers as well as experienced) must attempt an Online Quiz at <https://forms.gle/DpX76GCoANKMgfVB7>

Candidate/Student id to be mentioned: Indeed032021.

Those qualifying in test will be scheduled for on-line interviews.

Application Deadline: 20/3/2021

Job Type: Full-time

Salary: ₹12,000.00 - ₹25,000.00 per month
